The election in this county passed off very quietly, although a very fair vote was cast in the town.

Geo. J. Adams.

Mr. Ernest Cropper has secured a position with C. Schaefer where he will be glad to have his friends call on him.

Howe's Show arrived here on Tuesday as advertised, but no exhibition was given owing to the inclement weather, much to the regret of the old folks as well as the small boys.

The Board of Mayor and Aldermen held their first meeting in the new hall on Tuesday evening. The Board named the new cemetery on Silgo Street, the "Evergreen Cemetery."

Window and Show-case glass, Putty, Oils, Paints, at
G. A. Wettlin's.

Mr. Magruder Pearce returned here on Monday evening from a week's visit to Gulfport. Attorney Pearce has decided to hang out his shingle in that town and will leave next week and locate there permanently. We wish Pearce unbounded success in his new field, and hope he will handle all his legal matters as cleverly as he does the "Racquet."

Revolvers, Rifles, Shot Guns, Bowie Knives and Ammunition at
G. A. Wettlin's.

There will be a "called meeting" of the Ladies Aid Society of the Methodist Church at the residence of Mrs. W. F. S. Ventress, on Monday afternoon Nov. 10th, at 4 o'clock. All members of the Society are urged to attend as urgent important business will come before the meeting. All ladies in the Church, not members of the society, are also cordially invited to be present.

The oil mill began operation on Tuesday and the first oil cake was taken out at 2.45 p. m. Save for the stoppages incident to the running of new machinery all goes well with the new plant and as soon as the electric lights can be established the mill will run both day and night. We are indebted to the superintendent, Mr. J. F. Sessions, for his kindness in showing us over the plant.

I have the nicest line of fine stationery to be found in the town. Call and make your selection.
Geo. J. Adams.

With the annex, containing new music and practice rooms, the College needs very much another piano. For the purpose of securing a new one Miss Bowmar and her most advanced pupils, assisted by Mr. Evans and members of her class and one or two outside friends, will give a recital Wednesday evening, November 26th. The concert will be of a high order, and it will pay you to attend.

We are glad to know that Dr. Woods' medicine is so effective and will be at his office in a few days.

Dunk and Jeff Jones, two young negro men, were waylaid and shot by unknown parties in the Cold Springs neighborhood on Monday night. One of the negroes is not expected to live while the other received only a slight flesh wound. The attempted assassin, or assassins, has not been apprehended and there seems to be very little chance that they will be, but if captured they should be given a dose of hemp, regardless of the color of their skin.

The ladies of St. Paul's Guild are to give an Entertainment which they trust will be attended by all of their friends. The invitation is as follows: "Sweet 16" Entertainment, St. Paul's Rectory, Friday evening, Nov. 21st, 1902. Whole ticket 16 cts. Half ticket 8 cts. Ladies will receive a pretty and useful souvenir. Gentlemen will receive one, equally so, while children will receive a "Sweet 16" Souvenir. These will repay you for coming.

We publish in this issue the charter of the Dolores Mercantile Company to be opened at Dolores on December 1st. Mr. Ernest Dampf, who will be the manager of the new firm, is conceded to be one of the best clerks in the town, and is now employed in the mammoth store of M. H. Rothschild. By his affable manners he has made many friends here who will regret to learn that he will give up his present position, but we join them in wishing Ernest much success in his new venture.

The Bank of Woodville is enjoying a very prosperous and growing business, and we are informed by its President, Capt. D. C. Bramlette, that a larger volume of business was transacted at the Bank last Saturday, both in receipts and disbursements, than ever before in one day since its establishment. This evinces the healthy financial condition of our town and we hope our people will see it to their advantage to put their money in investments to help the town that has helped them.

Dr. Geo. Waverly Briggs, who will entertain our people at the Opera House on next Wednesday night, 12th inst., comes here highly recommended as one of the most gifted orators on the American platform. Sam Jones says of him: "He is one of the most magnetic, gifted platform speakers on this or any other continent. He is held in highest esteem by those who have heard him most. He captivates and the audience capitulates and then there is an hour of splendid entertainment and enjoyment." The admission will be only 50 cents and 25 cents for children. A rare treat is in store for those who attend.

There are more young ladies employed in the business houses of our town than ever before, and we note this fact with pleasure, as it indicates the passing away of the old idea that girls should remain at home in idleness. Those engaged in this town are: Miss Jonie Cooper, with the Bank of Woodville, Misses Caroline Collins and Annie Gorney, with C. Schaefer, Miss Mattie Hays with M. H. Rothschild, Miss Bertha Hays, Frances Gosinski and Annie Lowry, with the Woodville Mercantile Company, Miss Ada Coon, with Sessions Bros. & Coon, Miss Laura Gorney with Metzger & Cohen, and Miss Carrie Lindsay with Gabe Kann.

A three days race meeting will be held at the Woodville Fair Grounds on Nov. 20th, 21st and 22nd. Liberal premiums will be given. A large string of horses will be brought here and there will be fun for all. Be certain to attend. For particulars address:

CLIFFORD MACLEOD.

It means prosperity when you see the "bony-handed son of toil" bring his cotton to town, sell it to the merchant for cash and deposit the "long green" in the Bank. When our farmers can raise cotton as a surplus and not to swap for that which they have already consumed, we shall all get along better, says the Magnolia Gazette. But brother Norwood it will be a long time before we will enjoy this kind of "prosperity," as this sermon has been going the rounds for years and with little apparent good.

A nice line of Organs to be sold for cash or on easy payments. For particulars see,
J. W. CALLOWAY.

A FIENDISH ATTACK.
An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. Nothing helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at G. Kann Drug Store.

DO GOOD—IT PAYS.
A Chicago man has observed that Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it. Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend," cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time." Sold by G. Kann.

TOT CAUSES NIGHT ALARM.
"One night my brother's baby was taken with Croup," writes Mrs. J. C. Sulzer of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanent cure. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infallible for Coughs, Colds, Throat and Lung troubles. 50c and \$1.00 Trial bottles free at G. Kann.

STEPPED INTO LIVE COALS.
"When a child I burned my foot frightfully," writes W. H. Eads, of Jonesville, Va., "which caused horrible leg sores for 30 years but Bucklen's Arnica Salve wholly cured me after everything else failed." Infallible for Burns, Scalds, Cuts, Sores, Bruises and Piles. Sold by G. Kann 25c.

HE LEARNED A GREAT TRUTH.
It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell the children the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by G. Kann.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and sorrow this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by G. Kann.
